### **Research Activities**

My research activities reflect a deep engagement with Religious and Cultural Studies, with a particular focus on Biblical Studies in the Old Testament. I have published scholarly papers in diverse fields including linguistics, biblical interpretation, and critical issues such as insecurity and peacebuilding within Nigerian society. My academic contributions also include a comprehensive commentary on Genesis to Deuteronomy, alongside interpretive works on other Old Testament narratives. These research outputs demonstrate my commitment to advancing theological scholarship, bridging cultural and biblical perspectives, and addressing pressing societal challenges through faith-informed academic inquiry.
